

How to Wash & Dry

HOW TO WASH

Add detergent.

Place 2 tablespoons of liquid detergent in the soap drawer or toss one laundry pod in the machine.

Sort clothing by color and soil level, and be sure to empty your pockets!

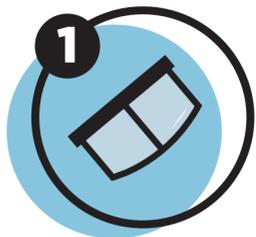

Place your clothing in the machine without over filling and select cycle.

Make a payment and press start to begin washing.

HOW TO DRY

Clean the lint filter and load your wet clothing into the dryer.

Add a dryer sheet to reduce static and add softness.

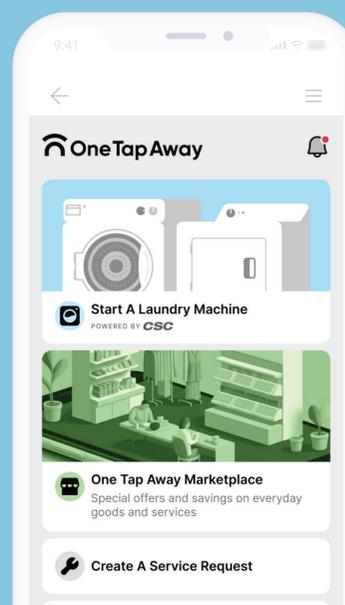

Close the dryer door securely and select cycle.

Make a payment and press start to begin drying.

Help keep the laundry room in good condition

- ✓ Leave washer doors open after use.
- ✓ Remove your clothes promptly.
- ✓ Clean up spills.
- ✓ Do not overload the machines.
