## **Find Your CSCPay Account Info**

## Step 1

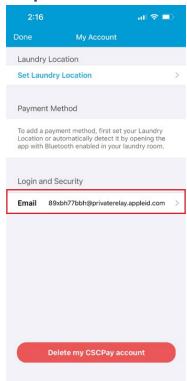

Open your CSCPay App

Your User ID can be found at the top of the wallet balance banner.

Note: If you used your Apple ID to setup your account, the email address displayed may not be your traditional icloud email address.

You can also click the 'More' button at the bottom and then click 'My Account.'.

## Step 2

On the 'My Account' page you will also see the email address used for your account.
